Subject: Jack Nichol Award 2009 winner.

The Recreation Navigation Commission of the PIANC thanks you sincerely for your interest and efforts in submitting your application for the 2009 Jack Nichol Marina Design Award for outstanding marina design.

The quality of the submittals presented the selection committee with a very difficult task.

After considerable discussion and evaluation of the applications, it was decided to award the 2009 Jack Nichol Award to Charleston City Marina, Charleston, SC, USA. The jury considered that Charleston City Marina best represented the technical, functional, aesthetic, and environmental award criteria.
