Charleston City Marina receives PIANC 2009 Jack Nichol Marina Design Award

Charleston, SC – The Charleston City Marina received the PIANC 2009 Jack Nichol Marina Design Award for outstanding marina design. According to the award letter, "The jury considered that Charleston City Marina best represented the technical, functional, aesthetic, and environmental award criteria."

Charleston City Marina, "Home of the MegaDock... 3,000+ Feet of High-Speed, In-Slip Diesel," was also recognized in 2005 as *Marina Dock Age's* "Marina of the Year."

Applied Technology & Management (ATM) assisted in the 10-year redevelopment of the Charleston City Marina, which has undergone several major renovations totaling more than \$10,000,000. Under the marina's management, yearly revenue increased from \$178,000 per year in 1994 to over \$12,000,000 per year in 13 short years.
